City of Wellington Mayor and City Council

Dear City of Wellington Mayor and City Council:

I am writing to you all today in hopes that you will take my recommendation to appoint Virginia (Ginny) Schon to the empty seat on the Wellington Housing authority board of directors. Her current community activity interests are wide and vast and would seem to really "fit in" with the current direction the board is taking. We are looking to incorporate community activities and Ginny's community involvement would help us grow in that direction. Several of the groups she currently works with are already business partners with the Manor and with her help our bonds would only strengthen.

The past two years serving on this board as the Chairman has not been an easy task to say the least. I need strong willed community minded people to work with me to help heal the past issues that were created by a long series of events that gave Wellington a different (and unhealthy) view of the manor and it's staff and residents. As chairman of the board I need to look past what has happened and look forward to the future of what the Manor can and should look like. I was tasked to take a very bad situation and turn it around and I have done so. I am now asking you to help me keep that momentum going by appointing Virginia (Ginny) Schon to the board of directors open seat.

If you have any questions or need clarification, please feel free to contact me at any time. Home 620-326-3408 cell 620-440-2476 work 620-326-2021.

Sincerely,
