Re: Public Service Announcement – Combined Trade Board Vacancy

Applications will be accepted through April 6, 2020, for the Mechanical Contractor position vacancy on the Combined Trade board. The appointment is for the remainder of the term, which is to April 30, 2023.

The purpose of the Combined Trade Board is to act as an arbitration board in deciding any questions that may arise between the Authority having jurisdiction for inspections (i.e. – Building Inspector), and any person, firm or corporation. The Board determines the methods and qualifications for the contractors in the community. It is also the duty of the Board to determine the suitability of alternate materials and methods of construction and to provide reasonable interpretations of Codes governing the building, electrical, mechanical and plumbing trades.

The Governing Body asks that anyone interested in being considered for appointment to the position submit an application to the City Clerk's Office by April 6, 2020. The application form is available in the City Clerk's Office or is available on the City website www.cityofwellington.net on the Board and Commissions page. Please note, the person appointed to this position must be a licensed Mechanical Contractor.

For questions or additional information, please contact Carol Mericle, City Clerk/Finance Director, ph. 620-326-2811.
